VETERANS
Path to Hope™

THANK YOU to everyone who attended the Veterans Day Jeep Run with Jeep4Vets, benefitting Veterans Path to Hope! It was such a fun day full of Jeep ridin' and hanging out with good company!

A HUGE thank you to Chris Acker with Jeep4Vets, Liberty Auto City in Libertyville, the Lake Villa VFW Post 4308, and Bootleggers in Antioch!

THIS MONTH'S FEATURED PROGRAM IS....

VETERANS
Path to Hope™

Veterans Community Action Team (VCAT)

VCAT is a grass roots program that was created when a formerly homeless veteran employee described the experience of being placed into housing after having lost all possessions. The agency partners with Dreiske Moving Company, as well as many local partners, to collect furniture, household goods, and supplies for veterans who have been homeless and placed back into housing.

A team of veterans delivers the furniture, household items, and two weeks worth of food to help the new housing feel like home. Recipients are informed about other agency programs that might be helpful to their situation.

Who is eligible for the VCAT Program at Veterans Path to Hope?

A member of the family must be a veteran. Veterans are referred to VCAT through an agency case manager, a VA HUD-VASH case manager, or a case manager from a collateral agency that has a memorandum of understanding with us.

WAYS TO DONATE

VETERANS
Path to Hope™

THE GIFT YOU CAN RE-GIFT OVER AND OVER!

How can you deepen your connections to a cause dear to your heart? By being a beacon of hope to those who served our country and now find themselves in need. A \$25 monthly donation helps the veteran families we serve, stay safe. Your support helps to provide shelter, put food on the table, and find employment to pay the bills for those veterans and their families facing hardship.

WE NEED YOUR SUPPORT.

DONATE

On average we serve over 2800 veterans and their families per year, with housing assistance, employment assistance, food and respite care, just to name a few of our life saving programs. We humbly invite you to keep critical services going by making a sustaining monthly gift of \$25.

For questions on donations, recurring donations, planned giving or other areas of support, contact Jennifer Kipp, Director of Resource Development at jkipp@vphope.org
